

Re: Mortgage Revenue Bond Program Origination Agreement & Invitation for Application

Dear Sirs:

On behalf of Ms. Dianne Bolen, Mississippi Home Corporation (MHC) Executive Director, we would like to extend our thanks for your interest in becoming a participating Lender or Broker in the Mortgage Revenue Bond (MRB) program. Enclosed for your review and execution is the MRB Mortgage Origination Agreement that must be originally signed by a representative of your company as the Lender and also by the Servicer you have an agreement with to underwrite and service your originated bond loans (see attached Approved Servicer list).

Also included is the MRB Invitation For Application. This is a questionnaire that must be completed and returned along with the Origination Agreement to my attention at the address shown below. Upon MHC's receipt of the original documents, Ms. Bolen will execute the agreement and I'll be sending you a Letter of Acknowledgement welcoming your company as an approved lender, a copy of the signed agreement, and one MRB manual.

MHC strongly suggests that you set up a program training that we offer at no cost to you for your staff. We will conduct the training at a site of your choice or here at MHC's office.

Our mission is to offer the opportunity of a safe, decent and affordable home to every Mississippian and with your participation, MHC will be that much closer to accomplishing our goals. If you have any questions, please contact Ms. Bolen or myself at (601) 718-4642. Again, thank you and we look forward to working with you and your staff in the near future.

Sincerely,

Betty C. Temple  
Vice President  
Single Family Program Operations
